BHUBANESWAR

Dated 16-05-2021

Ref: Donation of Co-vent ventilators to Odisha for use at hospitals across the State.

Dear Dr. Chakrabarty,

At the outset, I am glad to receive your letter citing donation of Co-vent ventilators for treatment of people free of cost in Government run hospitals of the State. On behalf of State of Odisha, I express my sincere gratitude to you for arranging such donations. It is worth mentioning here that, the Co-vent ventilators will be used free of cost for the poor patients at designated Government Hospitals of the State.

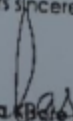

I have already advised the Additional Chief Secretary to Government, Health & FW Department, Odisha for taking appropriate action over the matter.

I once again appreciate your good will gesture and generosity towards people of Odisha at this critical hours of pandemic which has engulfed the entire world.

Looking forward to a better cooperation in the days to come.

Thanking you.

Yours sincerely

(Naba Kisore Das)

Dr. Amit Chakrabarty, MD, MS, FRCS
Co-Chair, AAYM Disaster Management Committee
